NUTRAWELL

Jainex Speciality Chemical

JSC NUTRAWELL :

A GROUND BREAKING PROTEIN SUPPLEMENT FOR ANIMAL FEED ELEVATING NUTRITION FOR POULTRY, ENSURING QUALITY FOR HUMAN HEALTH : A PATHWAY TO HEALTHIER LIVES.

About JSC Nutrawell

JSC Nutrawell is an advanced protein supplement made from high-quality soybean meal and fermented with a unique blend of probiotics, enzymes, and yeast. It enhances nutrient availability, digestion, and overall health for various animals, including piglets, sows, finishing pigs, poultry, aquaculture species, and calves. probiotics, enzymes, and yeast.

This supplement is formulated from soybean meal and crafted through fermentation with Lactic acid bacteria and *Saccharomyces cerevisiae* yeast, setting a new standard for animal feed quality.

KEY FEATURES AND BENEFITS:

- **High Protein Content:** Contains over 48% crude protein.
- **Enhanced Digestibility:** Fermentation produces small peptides that enhance nutrient absorption.
- **Probiotics and Enzymes:** Formulated with four species of *Lactobacillus*, *Bifidobacterium bifidum*, and *Saccharomyces cerevisiae*
- **Immune Support:** Enriched with glucans and mannans to bolster immune function.
- **Reduced Anti-Nutritional Factors:** Fermentation effectively decreases trypsin inhibitors.
- **Eco-Friendly:** Composed of natural ingredients and produced sustainably.

PRODUCT SPECIFICATION :

Nutrient	Specification
Moisture	$\leq 12\%$
Crude Protein	$\geq 48\%$
Crude Ash	$\leq 7\%$
Crude Fiber	$\leq 7\%$
Crude Fat	$\leq 4\%$
pH	$\leq 6.5\%$
Lactic Acid	$\geq 5\%$
VBN	$\leq 60\%$
Protein Digestibility	$\geq 95\%$
Acide Soluble Protein	$\geq 8\%$
Trypsin Inhibitor	≤ 10000 TIU/g
E.coli	≤ 10 cfu/g
Salmonella	Negative/25g

FAMILqs

RECOMMEND DOSAGE

Piglets: 5-15%
Sows and Finishing Pigs: 4-7%

Poultry: 3-5%

Aquaculture: 15-20%

Calves: 5-15%

FAMILqs

PACKAGING AND STORAGE:

Appearance :
Pale Yellow or Yellow Powder
Bulk Density: 0.701 g/ml
Particle Size: ≤ 1 mm
Package: 25 Kg./bag

Self Life :
12 months
(store in a shady, ventilated & dry place)
